

el::base::StaticClass

```
classDiagram
    class el_base_StaticClass["el::base::StaticClass"]
    class el_base_utils_OS["el::base::utils::OS"]
    el_base_utils_OS --|> el_base_StaticClass
```

The diagram consists of two class boxes. The top box, labeled 'el::base::StaticClass', has two empty compartments below its name. The bottom box, labeled 'el::base::utils::OS', has a list of five methods in its bottom compartment. A red arrow with an open triangular head points from the top of the bottom box to the bottom of the top box, indicating inheritance.
