```
Mongoose::Mutex
                         string
# mutex
+ Mutex()
+ ~Mutex()
+ lock()
+ unlock()
              #mutex
                        #key
        Mongoose::Sessions
        # sessions
        + Sessions()
        + ~Sessions()
        + getId()
        + get()
        + garbageCollect()
```
